

EUROPAS MARITIMA

DAG 20 MAJ 2012

From Gullbergsvass in the east to Klippan port in the west, the riverside all along the Göta River will be buoyant with festivities.

European Maritime Day is a celebration of all things maritime taking place at seven nodes along the Göta River and offering activities for young, old and everyone in between. All activities are free unless otherwise indicated. Welcome to a day filled with excitement!

Every year on May 20th, European Maritime Day is celebrated with activities all across Europe. The City of Gothenburg and Region Västra Götaland are proud to present a public maritime day open to everyone in Gothenburg and Västra Götaland as well as all our visitors. Following the public day and for the first time in Scandinavia, the fifth annual international conference with the same name will be held at Eriksberg, discussing maritime issues from a sustainable growth perspective.
